VINYL SOFFIT

DURABILITY, EASY CARE AND FRESH GOOD LOOKS

- Easy-care vinyl never needs painting because it won't rot, peel or flake like wood.

- Vented soffit circulates air and can help improve a home's energy efficiency.

- Solid soffit adds an attractive finishing touch when ventilation isn't needed.

- A selection of sizes and colors provides design flexibility.

- Varying Profiles available, Including: Triple 3-1/3″ Hidden Vent panel, Triple 4″ and Double 5″ Profiles.

SPECIFICATIONS:

Certificate of Conformance
This certificate of conformance is provided to assist the architect or specifier in the specification of Vinyl Soffit Panel for remodeling projects or as replacement siding for existing structures, including residential and light commercial applications.

Product Specifications
Meets or exceeds the Standard Specification for Rigid PVC Soffit (ASTM D-4477) and its referenced documents. Where not defined in ASTM D-4477, our products also meet the stringent quality control standards of Wolverine.

Product Test Data
Impact resistance: mean failure energy >45 in. lb.

Surface distortion: None at 120°F

Squareness: <1⁄8″ of square

Length: Within -1⁄4″ of specification

Warp/camber: <1⁄8″

Fire Resistance
Wolverine vinyl siding, soffit and accessories have a Class A flame spread classification per 2018 International Building Code, when tested in accordance with ASTM E-84.

Relevant Codes and Regulations Compliance
Conforms to ASTM Specification D-4477

Color: Uniformity is spectrophotometrically controlled

Gloss: Uniformity is controlled with a 75° glossmeter

Lock: Optically measured and controlled

*Cover House: Triple 3-1/3″ Hidden Vent in white
